Subject: Accepted Amended Notice of Intention, Pisgah Stone Products, LLC, BHT Mine, S/005/0003, Cache County, Utah

Dear Mr. Sovereign:

On March 11, 2016, the Division of Oil, Gas and Mining received an application to transfer the BHT Mine from Pisgah Grazing, LLC to Pisgah Stone Products, LLC. The Division determined this proposal to be a name change rather than a transfer since the officers of both companies are the same.

The Division accepts this amendment and is providing you a stamped copy of the replacement pages and a copy of the updated Reclamation Contract for your records. The Division is also returning the original Reclamation Contract for Pisgah Grazing, LLC for your records or disposal.

Thank you for cooperation in keeping your Notice of Intention up to date. The Division's file number (S/005/0003) will remain the same for this project. Please refer to this file number in any correspondence regarding this operation. Please contact Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have questions regarding this approval.

Sincerely,

Paul Baker
Minerals Program Manager
